Doniford is a request stop—to alight the train please inform the Guard, to board give a clear hand signal to the driver.

### NOTES

- ① Recreation of the opening train that departed Minehead at 10am on 28th March 1976 . **For special ticket holders only.**
- ② Recreation of the early service to Williton from late summer 1976, including carriage shunt under the bridge at Williton.
- ③ Recreation of a typical Sunday in 1979 where steam and DMU each worked half of the line and connected at Williton.
- ④ Recreation of DMUs terminating at Stogumber in 1978 and early 1979 before the line reopened to Bishops Lydeard.
- ⑤ Recreation of an early years works train hauled by Victor.

W—train stops outside Williton station for Victor to take water    B—train continues to Network Rail boundary

T—locomotive travelling tender or bunker first    x—passes another train here

At Minehead station we have a range of additional attractions including a display of vintage vehicles and displays of memorabilia from the 50 years of the preserved West Somerset Railway.
