

WEST SOMERSET RAILWAY plc
VOLUNTEER JOB DESCRIPTION

JOB TITLE: **CIVIL/PERMANENT WAY ENGINEER**

REPORTING TO: Head of IE / IE OFFICE / 01643 700400

JOB PURPOSE:

Carry out professional services on the track and structures to help the railway maintain 23 miles of line, which has more than 50 bridges and many other interesting structures.

RESPONSIBILITIES & DUTIES:

- Oversee and help plan works on the infrastructure
- Work on key projects and support / comment on strategic planning
- Responsible for looking after WSR equipment and returning after use
- Reporting any defects found on the line or with the tools issued
- Work can be on-site or desk-based to suit

PERSONAL SKILLS

- Professional qualifications in engineering
- Familiarity with email and internet would be beneficial but not critical.
- Must be 21 or over

TRAINING / COMPETENCY REQUIRED

- Permanent Way Engineering; Surveying & CAD; Structural Engineering Design; Site Supervision all desirable but no training available separately (unless sustaining current competence for the benefit of the Railway).
- PTS (½ day training if working on site)
